Diwali: Let the Light Within Illuminate the World

"तमसो मा ज्योतिर्गमय"

— Lead me from darkness to light.

Dear Parents and Students,

Diwali is not merely a festival of lamps; it is a timeless celebration of truth, righteousness, hope and human togetherness. The luminous diyas remind us that even a little light can dispel immense darkness. For students, Diwali carries a deeper message: let knowledge overcome ignorance, truth triumph over falsehood, and compassion transcend differences. The Ramayana exemplifies the enduring power of righteousness, brotherhood and selfless love.

This Diwali, I urge every student to become a beacon of positivity —speak the truth, respect differences, extend a helping hand and let your achievements illuminate others' lives. Remember, the greatest light is not the one we kindle in a lamp, but the one we awaken in our hearts.

Wishing everyone a radiant and meaningful Diwali!
