The Legacy of Excellence: The Education Committee of The Maheshwari Samaj (Society), Jaipur

Since its inception in 1926, The Education Committee of The Maheshwari Samaj (Society), Jaipur, has been a beacon of educational distinction. With a relentless pursuit of excellence, the ECMS has carved an indelible legacy in the heart of the heritage city. Anchored in a clear vision and guided by meticulously crafted plans, the ECMS institutions have stood as paragons of unwavering faith and determination, setting an unparalleled standard in scholastic excellence.

Fostering a Vibrant Learning Environment

With an emphasis on critical thinking, decision-making, and intellectual humility, we foster a vibrant environment where the tapestry of diverse opinions is celebrated. Students are encouraged to blossom into well-rounded individuals. Beyond academics, the institutions instil deep-rooted values of cultural heritage, patriotism and Indian ethos, seamlessly integrating global perspectives into the educational experience. This holistic approach nurtures the socio-emotional, spiritual and physical dimensions of student personalities, shaping them into magnanimous, disciplined, and compassionate citizens.

Cutting-Edge Infrastructure for Holistic Development

Equipped with cutting-edge technology, smart classrooms, state-of-the-art labs, well-stocked libraries and expansive sports arenas, we are at the forefront of innovation in learning. Embracing the National Education Policy (NEP) and NCF framework, we are committed to fostering life skills. With a collaborative relationship with stakeholders, it is ensured that the institutions are evolving, preparing students for the dynamic challenges of the 21st century. With a deep sense of empathy for global issues, ECMS educates not just for academic achievement, but also for knowledge of a harmonious, interconnected world.

Prudent Pearls

Education is the most powerful weapon which you can use to change the world.

-Nelson Mandela

This powerful quote anchors our institution's commitment to delivering a truly transformative learning experience. Our ultimate objective is to equip students with far more than conventional academic knowledge; we strive to cultivate sharp critical thinking, global awareness and strong ethical leadership. By instilling a deep sense of purpose alongside academic rigor, we guide our pupils to recognize their individual capacity to make a meaningful difference in society.

Our comprehensive curriculum encourages young minds to tackle real-world challenges with courage, creativity and conviction. Through structured mentorship, collaborative learning and exposure to diverse perspectives, we foster a learning ecosystem where ambition meets responsibility. We firmly believe that every child possesses unique talents capable of shaping a brighter future.

Nurturing their innate potential and reinforcing essential human values, we prepare our graduates to step forward as compassionate, confident and proactive contributors to an ever-evolving global community.

Umesh Soni
President

Prudent Pearls

Educating the mind without educating the heart is no education at all.

-Aristotle

This foundational principle encapsulates the core philosophy of ECMS that intellectual growth achieves its true purpose only when grounded in moral character. Our educational vision is rooted in the conviction that intellectual achievement achieves its highest purpose only when guided by empathy, integrity and social responsibility. We design our daily school life—from classroom dynamics to athletics and community outreach—to nurture personal character alongside scholastic success. We cultivate a supportive, inclusive and respectful environment to help students in developing emotional intelligence, resilience and a genuine concern for the well-being of others.

Our dedicated educators mentor children to navigate complex ethical choices, encouraging them to treat peers with kindness and respect. We ensure that our students graduate not only with impressive academic credentials, but also as well-rounded, grounded and ethical individuals capable of making positive contributions to their families, workplaces and broader communities throughout their lives.

Nirmal Dargar
Vice President

Prudent Pearls

The important thing is not to stop questioning. Curiosity has its own reason for existing.

-Albert Einstein

This timeless insight reflects our commitment to creating an atmosphere where intellectual curiosity is actively celebrated and systematically nurtured. Rather than expecting students to passively absorb information, our educational approach centers on inquiry-based learning, active experimentation and open discussion. We build classroom environments that encourage children to ask meaningful questions, challenge assumptions and explore concepts deeply across all disciplines. Encouraging an exploratory mindset, we transform the learning process into an exciting, life-long adventure rather than a temporary scholastic requirement.

Our faculty serves as facilitators who guide students through hands-on projects, research initiatives and collaborative problem-solving exercises. This method builds intellectual resilience, as students learn to view mistakes as valuable stepping stones towards discovery. Ultimately, our goal is to graduate agile, forward-thinking individuals who possess the self-motivation, critical adaptability and enduring passion necessary to thrive in an increasingly complex world.

Kamal Somani
General Secretary (Education)

Prudent Pearls

What lies behind us and what lies before us are tiny matters compared to what lies within us.

-Ralph Waldo Emerson

This inspiring principle captures our foundational belief in the limitless potential present within every single student who walks through our doors. Our primary mission as an educational institution is to help children discover, unlock and refine their unique internal strengths, regardless of their starting point or past challenges. Through individualized attention, a wide range of co-curricular opportunities and dedicated academic support, we encourage pupils to look inward and build authentic self-confidence.

We create an environment where students feel safe to step out of their comfort zones, take on new intellectual and creative challenges and overcome personal self-doubt. By cultivating perseverance and a strong growth mindset, we ensure that every student recognizes their inherent worth and capability. We view our ethos as a promise to partner with parents in fostering self-reliance, emotional strength and character, preparing our youth to face future opportunities and uncertainties with unshakeable inner confidence.

Education is not merely the transmission of knowledge, but the deliberate awakening of purpose, intellect and character in every learner.

The Legacy of Excellence: The Education Committee of The Maheshwari Samaj (Society), Jaipur

Established in 1926, The Education Committee of The Maheshwari Samaj (Society), Jaipur, has consistently served as a hallmark of quality learning. Driven by a dedicated mission and strategic direction, ECMS has built an enduring reputation across the historic city, setting remarkably high benchmarks in academic leadership.

Nurturing a Dynamic Academic Culture

ECMS creates an engaging atmosphere that prioritizes analytical reasoning, confident decision-making and open-mindedness while respecting varied viewpoints. The institutions focus on developing well-rounded individuals by combining academic rigor with core Indian cultural values, national pride and a modern international outlook. This balanced methodology supports students' emotional, spiritual, physical and personal growth, preparing them to become responsible and empathetic members of society.

Modern Infrastructure Supporting Complete Growth

By incorporating advanced technology, digital classrooms, contemporary laboratories, extensive libraries and broad athletic facilities, ECMS remains ahead in progressive education. Fully aligned with the National Education Policy (NEP) and National Curriculum Framework (NCF), the organization places strong emphasis on essential life skills. Working closely with parents, educators and the community, ECMS continuously updates its approach to equip students for future global opportunities while inspiring them to contribute positively to a harmonious world

VISION

We envision serving as a beacon of innovation and creative excellence, empowering an ambitious generation of visionary thinkers, strategic problem-solvers and pioneering leaders. We inspire our students to transform revolutionary ideas into meaningful action, equipping them to shape the global landscape and leave an enduring legacy of positive impact.

MISSION

Our mission is to cultivate an intellectually vibrant educational sanctuary that kindles a lifelong passion for discovery, resilience and global competence. Through a steadfast commitment to the holistic development of both our students and faculty, we nurture intellect, character and well-being, enabling every member of our academic community to flourish with balance and distinction.

CORE VALUES

We are anchored by an unyielding dedication to integrity, honesty and accountability, ensuring that ethical principles guide every aspect of our institution. Prioritizing the physical, social and emotional well-being of our community, we foster an environment of transparency, mutual respect and holistic growth where authentic leadership can thrive.

Historic Milestones

Spanning more than a hundred years, The Education Committee of The Maheshwari Samaj (ECMS), Jaipur, has charted an exceptional path of academic distinction and educational leadership. Today, the academic centers managed by ECMS serve as benchmark institutions across the historic city and the wider state of Rajasthan, earning widespread recognition and high acclaim throughout the entire nation. This enduring legacy reflects a hundred-year commitment to scholastic rigor, community advancement and the continuous pursuit of knowledge.

The history of ECMS is marked by notable triumphs, consistently leaving a lasting imprint on generations of learners. Annually, its top-performing scholars secure admissions to India's most competitive and elite centers of higher learning-including AIIMS, IITs, NITs, NDA, IIMs and premier Law Universities-demonstrating their academic depth on a national scale. Furthermore, a substantial number of graduates routinely qualify for professional credentials such as Chartered Accountancy (C.A.) and Company Secretaryship (C.S.), while others earn admission to top-tier universities, underscoring the high standard of preparation provided to ECMS alumni.

The network of ECMS graduates is distinguished by leaders who excel across diverse sectors, constantly elevating their alma mater's reputation. At the core of the institution's philosophy, is identifying and nurturing potential through merit-based grants and honors for academic and co-curricular excellence. Complementing this, psychometric assessments and personalized guidance empower students to uncover their intrinsic strengths and chart informed future paths. This holistic approach is reflected in the steady stream of students securing prestigious national and state scholarships, such as KVPY and STSE.

Marking a century of continuous development, ECMS remains dedicated to preparing future leaders and advancing educational standards as a long-standing center of learning and accomplishment.

THE LEGACY OF ECMS

"Excellence is never an accident;
it is always the result of high intention, sincere effort and intelligent execution.

NEP 2020

Aligning seamlessly with the National Education Policy (NEP) 2020, ECMS institutions cultivate a progressive, learner-centric ecosystem that transcends traditional rote learning. By placing holistic student development at the heart of its educational philosophy, ECMS integrates experiential learning, critical thinking and creative problem-solving into daily instruction. Classrooms are transformed into dynamic hubs where life skills, emotional intelligence and interdisciplinary understanding are nurtured alongside core academic competencies. Through continuous pedagogical innovation and competency-based education, ECMS ensures every learner is empowered with the adaptability, character and intellect required to navigate an evolving global landscape.

CEC

The Centralized Examination Cell (CEC) at ECMS Jaipur exemplifies academic integrity and precision by orchestrating standardized assessments across all constituent schools. Adhering rigorously to the CBSE assessment framework and its spot evaluation guidelines, the CEC enforces strict confidentiality throughout paper formulation, evaluation and collaborative answer key finalization. By distributing advance revision worksheets and administering uniform question papers for each grade level, the CEC guarantees absolute fairness, transparency and unyielding academic standards across Jaipur.

MERIT & SCHOLARSHIPS

Under the visionary aegis of ECMS, exceptional talent is systematically inspired, recognized and nurtured through a robust array of merit-based scholarships. Accomplishments across both scholastic and co-scholastic frontiers are celebrated with grand distinction, honoring the multifaceted capabilities of our student body. Equally dedicated to inclusivity and social upliftment, ECMS extends vital financial assistance and relief to deserving, underprivileged scholars. By removing economic barriers, ECMS reaffirms its core conviction that financial limitations should never impede academic promise, ensuring every child receives the opportunity to flourish and excel.

DIGITALISATION

Embracing the modern educational paradigm, ECMS institutions leverage cutting-edge technology to drive seamless administrative and pedagogical transformation. Through an advanced Enterprise Resource Planning (ERP) platform, the organization integrates real-time communication, academic tracking, resource management and interactive digital learning spaces into a single, cohesive infrastructure. This digital backbone streamlines institutional operations, enhances transparency between educators and parents and equips students with fluent, tech-forward learning experiences essential for the digital age.

AIMS & OBJECTIVES (COURSES OF STUDY)

At ECMS Institutions, we champion a 360-degree approach to education, fostering holistic growth through the guidance of seasoned, expert educators. Our meticulously crafted courses nurture both intellect and character, preparing students for a future of excellence.

As NEP-ready institutions, we adhere to the NCF framework, empowering students with experiential learning, complemented by skill-based subjects introduced in Classes XI and XII. guided by proficient educators. The institutions are running from Pre Primary to Class XII in accordance with the New Education Policy.

Pre Primary

English, Hindi, Mathematics, Environmental Studies. General Knowledge. Art & craft. Physical Education

I and II

English, Hindi, Mathematics, Environmental Studies, Computer Science, Life skills.

III, IV and V

English, Hindi, Mathematics, Science, Social Studies, Computer Science, Life skills & Computational Thinking, Co-scholastic activities like Physical and Health Education, Art & Craft, Vocal & Instrumental Music, Dance and Yoga are part of the curriculum in all the classes.

VI, VII and VIII

English, Hindi, Sanskrit, Science. Mathematics, Computer Science, Social Science, Life skills, Computational Thinking & Artificial Intelligence, Kaushal Bodh, Physical and Health Education. Regular Project based work is done in Work Experience. Art Education and Physical and Health Education.

IX and X

English, Hindi, Sanskrit/French, Science, Mathematics. Social Science, Kaushal Vikas, Artificial Intelligence and Information Technology. Regular Project based work is done in Work Experience, Art Education and Physical and Health Education.

XI and XII

English Core, General Studies, Work Experience and Health Education along with four other Elective subjects are offered. For electives any four subjects out of the following are given

SCIENCE: Physics, Chemistry, Biology, Maths, Informatics Practices, Artificial Intelligence and Physical Education.

COMMERCE: Accountancy, Business Studies, Economics, Maths, Physical Education, Informatics Practices and Artificial Intelligence.

HUMANITIES: Economics, Geography, History, Pol. Science, Psychology, Informatics Practices and Physical Education.

Skill Subjects : Artificial Intelligence, Office Procedure & Practices, Yoga, Physical Activity Trainer and Mass Media.

The choice of combinations is restricted to facilitate the formulation of a proper school time table with a minimum movement of students during school hours. No request either for other possible combination or for change of subjects is entertained. Students are therefore advised to choose their electives after careful study and due thought.

The scholars of **ECMS** Jaipur stand as luminous beacons of achievement, having carved sublime and transcendent destinies within the world's most venerable institutions. Across an expansive tapestry of endeavors—from the noble art of healing and the majesty of jurisprudence to the frontiers of engineering, visionary research, governance, pedagogy and strategic enterprise—their indelible footprints resound across the global landscape.

To honor and perpetually nourish the sacred kinship between these revered pioneers and their cherished nursery of intellect, **ECMS** Jaipur hosts its annual Alumni Conclave—a magnificent jubilee of cherished memories and momentous triumphs. These grand gatherings do not merely rekindle old flames of fellowship; they stand as an eternal monument to a bond that defies the passage of time and the vastness of geography.

With each passing year, the overwhelming tide of returning alumni bears eloquent witness to the profound devotion they treasure for the sanctuary that nurtured their formative years. It is an enchanted hour where yesterday's triumphs seamlessly meld with today's aspirations, ensuring that the radiant legacy of ECMS continues to illuminate the path for generations yet to come.

ABOUT US

MPS Ajmer Road is not merely a school; it is a way of life. The school is committed to imparting education that promotes "Peace & Prosperity", while nurturing high standards of excellence, a modern outlook, love for the motherland, and respect for our rich culture, heritage, and traditions.

The institution strives for the holistic development of every child. We firmly believe that, together, we can shoulder the responsibility of nurturing confident, compassionate, responsible, and socially conscious citizens of tomorrow. This commitment is reflected in our motto: "Peace and Prosperity."

LOCATION

The school is located at SPL-224, RIICO Industrial Area, Phase-II, providing a conducive environment for learning, growth, and overall development.

AFFILIATION

MPS Ajmer Road is a Secondary School affiliated with the Central Board of Secondary Education (CBSE), Delhi. The school follows the NCERT/CBSE curriculum and syllabi, preparing students to meet national academic standards and excel in the All India Secondary School Examination.

MISSION

OUR MISSION is to create a dynamic, inclusive, and stimulating learning environment that empowers students to pursue excellence, develop confidence, and grow into responsible global citizens.

We strive to nurture strong social and interpersonal skills, encourage independent thinking, and equip our learners with the knowledge, values, and competencies required to face the challenges of real life with confidence and resilience.

PRISMATIC SUBSTRATUM – INFRASTRUCTURE

Established in 2014, **MPS Ajmer Road** has a secure and well-equipped campus designed to provide students with a safe, enriching, and stimulating learning environment.

The school is equipped with modern CCTV surveillance, an effective fire-safety system, a well-stocked library, music, dance and art studios, ICT and science laboratories, and a dedicated Bagru Printing Studio. These facilities provide students with opportunities to explore academics, creativity, technology, culture, and practical learning.

LIBRARY

The school houses a well-stocked Learning Resource Centre, with a collection of more than two thousand books catering to children, educators, and adult readers.

The library subscribes to a range of magazines and periodicals covering diverse subjects and providing enriching, subject-related content. Teachers also make effective use of the library to supplement classroom learning with authentic facts, references, and resources from around the world.

The Learning Resource Centre encourages students to develop the habit of reading, research, independent learning, and lifelong intellectual curiosity.

MUSIC AND DANCE

The school provides training in a variety of music and dance disciplines, giving students the freedom to explore and pursue their areas of interest.

Dedicated and talented faculty members nurture the creative potential of students and encourage them to express themselves with confidence. As universal forms of expression, music and dance transcend boundaries, bringing students from diverse backgrounds together while fostering creativity, collaboration, discipline, and cultural appreciation.

PERFORMING & VISUAL ARTS

The Art Studio is a vibrant space where colours, creativity, and imagination come together. It provides students with opportunities to explore new ideas, materials, techniques, and forms of artistic expression.

Through participation in artistic activities, students develop creativity, confidence, self-expression, patience, and an appreciation for aesthetics. The studio encourages every learner to discover and celebrate their unique creative potential. At MPS Ajmer Road, Performing and Visual Arts form an integral part of holistic education. The school provides dedicated infrastructure and learning spaces to facilitate effective and impactful engagement with diverse forms of artistic expression.

TRANSPORT

MPS Ajmer Road provides safe, reliable, and student-friendly bus transportation across various routes, ensuring that distance does not become a barrier to quality education.

A trained attendant is assigned to each bus route to ensure the safety and well-being of students throughout their journey. School buses are also equipped with medical first-aid kits and operate under appropriate safety protocols.

ICT LABORATORY

In the contemporary world, technology has become an essential tool for learning. At MPS Ajmer Road, we recognise the importance of enabling students to access, understand, evaluate, and effectively use digital resources.

The school has a fully equipped ICT Laboratory, where students receive hands-on learning opportunities. The ICT curriculum is integrated with academic learning across grades and subjects, helping students develop essential skills in researching, processing, analysing, creating, and presenting information.

Through technology-enabled learning, students are prepared to become confident, responsible, and digitally capable learners.

SCIENCE LABORATORY

The school has a well-equipped Science Laboratory designed to promote experiential and hands-on learning.

The laboratory provides students with the necessary apparatus, resources, and learning environment to explore scientific concepts through observation, experimentation, investigation, and practical application.

This approach enables students to connect theoretical knowledge with real-world experiences and develop scientific curiosity, logical thinking, and problem-solving skills.

LIFE SKILLS

At MPS Ajmer Road, we believe that education extends beyond textbooks and classrooms. Every interaction, activity, experience, and occasion provides an opportunity for meaningful learning.

Life Skills Education is an important component of our educational philosophy. It aims to help students develop self-awareness, self-esteem, communication skills, empathy, decision-making abilities, problem-solving skills, and a sense of personal responsibility.

Through age-appropriate experiences and activities, students are encouraged to understand themselves, interact positively with others, make responsible choices, and face challenging situations with confidence and resilience.

VALOROUS CUIRASSIER - NCC, SCOUTS & GUIDES

In a world that constantly seeks responsible leaders and positive role models, NCC, Scouts and Guides play a significant role in shaping young minds.

These programmes nurture discipline, leadership, courage, teamwork, service, responsibility, and community spirit. Students are encouraged to develop a sense of duty towards themselves, their school, their community, and the nation.

Through structured activities and meaningful experiences, these programmes help students grow into disciplined, confident, and responsible citizens.

REJUVENATING PURSUITS

MPS Ajmer Road regularly organises picnics, educational trips, excursions, and recreational outings for students. Such experiences extend learning beyond the classroom and expose students to diverse environments, cultures, people, and real-life situations. These activities provide valuable opportunities to develop independence, adaptability, teamwork, communication, and practical life skills. A diverse range of activities is organised to nurture the innate talents, interests, creativity, and potential of every learner. These enriching experiences help students discover their strengths while developing confidence, collaboration, leadership, and a spirit of participation.

STUDENTS' COUNCIL

MPS Ajmer Road seeks to instil the spirit of self-reliance, leadership, responsibility, and democratic participation in every MPSite.

To provide students with meaningful opportunities to lead and serve, the school has a Students' Apex Body. Students are entrusted with various leadership responsibilities and designations, including Head Boy, Head Girl, Sports Head Boy, Cultural Head, House Prefects, and other student leadership positions.

Through these responsibilities, students learn to lead by example, work collaboratively, make responsible decisions, and contribute positively to school life.

HOUSE SYSTEM - SHOULDERING RESPONSIBILITIES

To facilitate the smooth organisation of activities and competitions and to encourage mass participation, the school is divided into four Houses.

Every student is associated with a House and is provided opportunities to participate in a variety of Inter-House Competitions and activities. The House System encourages healthy competition, teamwork, camaraderie, leadership, discipline, and a sense of belonging.

Students are also encouraged to undertake positions of responsibility, enabling them to develop leadership qualities and learn the importance of cooperation and collective achievement.

EKLAVYA SPORTS ARENA

Eklavya Sports Arena is an innovative, modern, and fully equipped sports facility designed to nurture sporting excellence and promote an active lifestyle among students.

The arena features a floodlit stadium and synthetic athletic track, providing students with opportunities to train and participate in sporting activities and competitions in a well-equipped environment.

With facilities designed to support sports and physical fitness, Eklavya Sports Arena encourages students to pursue their sporting aspirations, develop discipline and perseverance, and experience the spirit of teamwork and fair play.

PILLARS OF PINNACLE - ACHIEVERS

Every achiever's journey is unique, shaped by dedication, perseverance, challenges, and moments of triumph.

At MPS Ajmer Road, we celebrate students who demonstrate commitment, determination, excellence, and a passion for achievement across diverse fields, including academics, science, arts, sports, culture, and other areas of endeavour.

Our achievers serve as an inspiration to the entire school community, demonstrating that consistent effort, discipline, perseverance, and a positive attitude can transform aspirations into accomplishments.

They truly represent the "Pillars of Pinnacle" and inspire others to strive for excellence while remaining grounded in the values of integrity, humility, and responsibility.

mps Sanskriti Primary School

Happy Place to
Learn, Grow and Shine

MPS Sanskriti, Bagru is a kindergarten school committed to provide a joyful, safe, and stimulating learning environment where every child is encouraged to explore, discover, and grow. We believe that the early years of childhood lay the foundation for lifelong learning. Our child-centric approach focuses on developing essential skills through play-based learning, creative activities, storytelling, music, dance, and hands-on experiences. We nurture curiosity, creativity, confidence, communication, and social values while fostering emotional, physical, intellectual, and cognitive development. With caring educators, engaging learning spaces, and age-appropriate activities, MPS Sanskriti aims to make every child's learning journey meaningful, memorable, and full of happiness.

राष्ट्रभक्ति के रंग

Echoes of Freedom : ECMS Celebrates Independence Day with Grandeur

On 15th of August, the ECMS hosts a breathtaking pageant of national pride, uniting distinguished luminaries to honour our nation's sovereignty and the legendary heroes who forged our freedom. This historic commemoration brings together prominent leaders and distinguished luminaries across various sectors to pay homage to the heroic champions who sacrificed everything to forge our sovereign country. Through soul-stirring musical tributes and poignant addresses, the gathering reignites an enduring pledge to uphold the noble ideals of our freedom fighters. This year's grand celebration at MPS Tilak Nagar witnessed the gracious presence of the Chief Guest RSS Jaipur Prant Pracharak Shri Babulal Ji and Special Guest IAS Dr. Nitesh Sharma. Their soul-stirring addresses deeply motivated over 500 enthusiastic students to channel discipline, wisdom and patriotic fervor into their lives and academic pursuits. The unveiling of the AI and Robotics Lab alongside a vibrant new library added another plume to the illustrious crown of the ECMS. The campus came alive with vigorous parades, band performances and cultural tributes, reigniting an enduring pledge towards human welfare and national excellence.

REPUBLIC DAY: PULSE OF THE NATION

On the 26th of January each year, ECMS observes Republic Day with exceptional majesty and devotion, reaffirming the academy's deep-rooted civic allegiance and steadfast commitment to constitutional ideals. Esteemed guests from all walks of life grace the proceedings. This year the 77th Republic Day celebration was observed with a great fervour, uniting scholar delegates from all its campuses under the theme "150 Years of Vande Mataram & Aatmanirbhar Bharat".

The ceremonial unfurling of the tricolour was led by Chief Guest Hon'ble Mr. Justice Ashok Kumar Jain (Rajasthan High Court) and Special Guest Shri Jaswant Khatri (Regional Work Carrier, RSS), alongside ECMS office bearers Shri Umesh Soni, Shri Nirmal Dargar, Shri Kamal Kishore Somani, Shri Arun Maloo, CA Rohit Maheshwari, and CA Sanjay Bangar. Highlights included an NCC parade, live band and vibrant cultural presentations-"Samvidhan Se Swabhiman Tak" and tableaux on "Viksit Bharat aur Virasat"-showcasing India's rich heritage, constitutional ideals and journey towards national excellence.

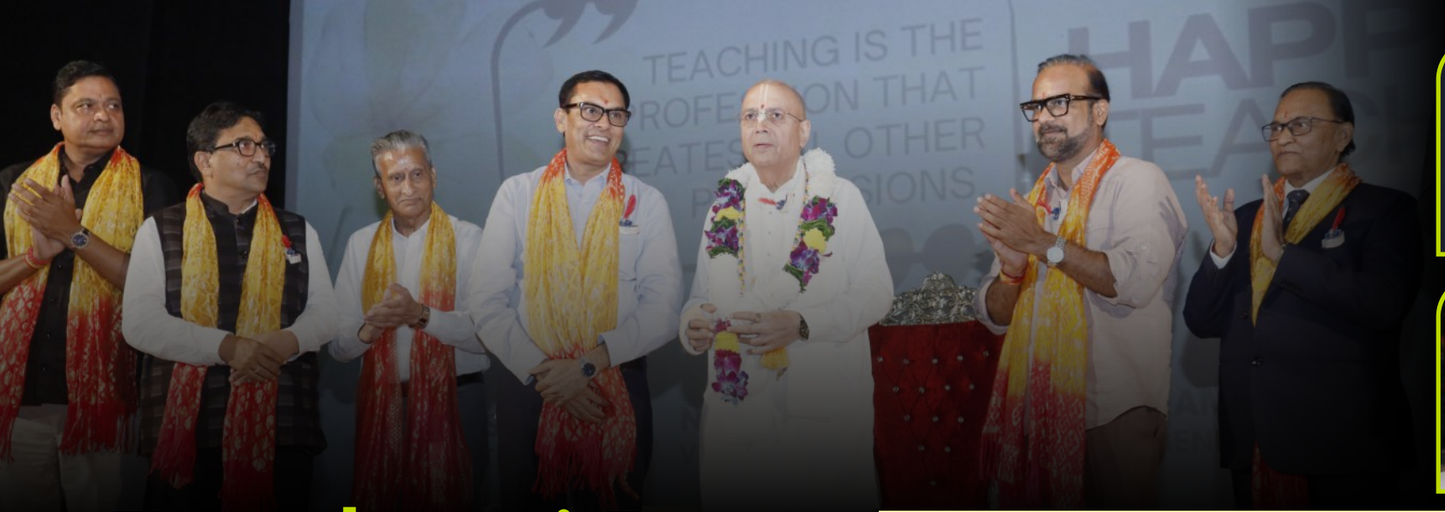

Teachers' Day

Honouring The Guiding Lights

On September 5th annually, the Education Committee of the Maheshwari Samaj (ECMS), Jaipur, spearheads a magnificent celebration of Teachers' Day-a pivotal occasion devoted to exalting the educators of ECMS Institutions for their unmatched contributions to the continuous advancement, evolution and triumph of the academic family. An atmosphere of profound reverence sweeps through the venue as the Samaj assembles to acclaim the guiding lights moulding tomorrow's trailblazers, uniting sincere honours, vibrant creative presentations and uplifting addresses as an emblem of the society's deep respect for mentorship. Marking this year's landmark assembly at the Takshashila Auditorium of MPS, Jawahar Nagar, the ceremony opened with floral tributes to Dr. Sarvepalli Radhakrishnan and Vedic chanting, graced by Chief Guest Sant Shiromani 'His Grace' Shri Vrindavan Chandra Das (founder of GIVE), who shared profound insights on self-realization, alongside Guest of Honour senior CA Prakash Chandra Parwal and the esteemed dignitaries of the ECMS. The major highlights of the event were a spellbinding student orchestra, dance performance depicting Lord Vishnu's Dashavatar as well as special honours bestowed upon educators. The gathering stood as a salute to the selfless zeal of educators sculpting the nation's future.

A Monumental Dream : A Visionary Era of Philanthropy & Human Welfare-MIMS

Driven by a noble vision to elevate human welfare and transform regional healthcare, the Education Committee of the Maheshwari Samaj of Shree Maheshwari Samaj, Jaipur, has embarked on a historic philanthropic journey with the foundation laying of the Maheshwari Institute of Medical Sciences & Research Centre (MIMS) at Ganpatpura, Mansarovar. Graced by the benign presence of distinguished dignitaries including Lok Sabha Speaker Shri Om Birla, Shree Cement Chairman, Shri Hari Mohan Bangur and Akhil Bharatvarshiya Maheshwari Mahasabha President Shri Sandeep Kabra. This ambitious, 600-crore mega-project stands as a magnificent step toward social empowerment, spanning an impressive structure featuring a 3-storey basement and 11 floors. MIMS will house a state-of-the-art 600-bed multi-specialty hospital alongside premier nursing and paramedical colleges, complemented by a serene Lord Mahesh temple spread across 2,000 square yards. Envisioned for completion within two years, this monumental sanctuary of healing promises to provide world-class, affordable healthcare to over 500,000 residents across urban and rural Jaipur, while generating thousands of direct and indirect employment opportunities-epitomizing true compassionate service and enduring community dedication.

INTERNATIONAL YOGA DAY

UNIFYING BODY, MIND AND SPIRIT

Under the aegis of the ECMS, all sister concerns celebrate International Yoga Day on June 21st, every year epitomizing a shared, unwavering dedication to holistic wellness across the entire community. This sacred occasion brings together an esteemed assembly of scholars, institutional guardians, wellness enthusiasts, and revered figures of the Maheshwari Samaj, all aligned in pursuit of inner equilibrium and somatic harmony. Guided by distinguished yoga practitioners, participants engage in a series of revitalizing asanas designed to fortify physical vitality while instilling profound mental clarity. The gathering serves as an enduring testament to the institution's ongoing mission to cultivate intellectual clarity anchored in physical wellness. Through every intentional posture and rhythmic breath, the spirit of holistic health flourishes, underscoring a deep-seated devotion to the well-being of all stakeholders. Vibrant yet deeply serene, this annual retreat empowers all present to embrace daily life with restored vigor and grace.

A Legacy of Compassion :

Mega Medical Camp

Demonstrating a deep sense of social responsibility and philanthropy, Shri Maheshwari Samaj, Jaipur, organized a high-impact Mega Medical Camp on July 26, 2026, at the 'Utsav' Community Centre. Held in the sacred memory of Late Shri Radhakishan Ji Malpani, this thoughtful initiative provided free expert health screenings and specialist consultations to nearly 600 beneficiaries.

Organized in collaboration with premier healthcare partners like ECMS Jaipur, Manipal Hospital, Bhagwan Mahaveer Cancer Hospital, and ASG Eye Hospital, the camp featured multi-speciality care, mammography, cancer screening and life-saving CPR training. Through meticulous leadership and selfless service, ECMS showcased exemplary civic responsibility, setting an inspiring benchmark of community health and humanitarian values for our students.

The Education Committee of The Maheshwari Samaj (Society), Jaipur, successfully organized RISE (Rewarding Intelligence via Scholarship for Education), a premier MCQ-based talent hunt competition designed to identify, inspire and elevate academic brilliance. Functioning as a prestigious gateway to scholastic excellence, this comprehensive talent search provided ambitious scholars a platform to demonstrate their intellect and earn substantial financial backing, awarding coveted scholarships worth up to Rs. 2,00,000/- per student. Beyond these grand merit grants, all qualifying candidates were honoured with official certificates of recognition, while top performers were recognized with special awards. Held on Sunday, March 22, 2026, with an accessible registration fee of just Rs. 100/-, RISE empowered promising minds to unlock their potential and secure a distinguished pathway toward future success under the aegis of ECMS.

RISE 2026

UNLOCKING FUTURE POTENTIAL

FDP 2026

A Grand Conclave of Learning, Innovation, and Self-Development

ECMS Jaipur annually reinforces its commitment to professional growth through its flagship Faculty Development Program. Serving as a beacon of pedagogical transformation, this initiative equips educators with modern tools, reflective practices and future-ready methodologies to foster engaging classroom environments.

The FDP-2026 edition-held from June 15 to 20 - exemplified this spirit on a grand scale. Bringing together nearly 900 educators across 33 high-impact sessions at seven parallel venues, the six-day conclave featured nationally acclaimed experts addressing AI in education, digital technology, mental well-being, Happy Classrooms and storytelling.

Seamlessly integrating 50+ hours of mandatory CBSE training with self-assessment, this annual event stands as an exemplary model across Rajasthan. ECMS reaffirms that educational excellence stems not merely from infrastructure, but from empowered, lifelong learners dedicated to building a stronger nation.

THE ECMS PROFESSIONAL GROWTH MODEL-ATCA-2026

In the contemporary era, Artificial Intelligence (AI), digital technology, the National Education Policy-2020 (NEP-2020) and 21st-century skills have transformed the educational landscape. Educators are no longer mere transmitters of knowledge, but facilitators of learning, pioneers of innovation and lifelong learners. Realizing this visionary approach, ECMS has presented an exemplary model for teacher empowerment.

With an objective to evaluate the tangible impact of Teachers' training, the Annual Teacher Competency Assessment (ATCA-2026) was conducted online on July 4, 2026. A total of 844 teachers and academic professionals across 10 ECMS institutions participated, with an outstanding 99.5% achieving exceptional results—demonstrating their professional competence and dedication to educational excellence.

Spanning from pre-primary to senior secondary levels as well as administrative leadership, this comprehensive initiative underscores ECMS's steadfast commitment to continuous professional development and high-quality education.

Youth Power Against Addiction

Taking a bold and timely stance on International Youth Day, the Education Committee of the Maheshwari Samaj organized a transformative Nasha Mukti Abhiyan to safeguard the future of young minds. Designed to raise critical awareness about the perils of substance abuse, the movement empowered students to prioritize health, ambition, and purposeful living.Distinguished spiritual leaders from Brahma Kumaris delivered an inspiring address, guiding the youth toward mental strength, discipline and positive habits. The students took a collective pledge to renounce all forms of addiction and remain steadfastly dedicated to their academic and personal goals. ECMS's proactive endeavor marks a visionary leap toward building a drug-free, healthier and brighter tomorrow.

PATHFINDER - 2026

The Education Committee of the Maheshwari Samaj (Society), Jaipur (ECMS), proudly introduced Pathfinder-2026, a pioneering Online Psychometric Assessment & Career Guidance Programme for students of Classes IX to XII.

This comprehensive initiative is meticulously designed to measure student aptitude, core interests, personality traits and decision readiness. By bridging self-awareness with academic paths, the programme empowers students to align their natural inclinations with informed, future-proof career choices.

This forward-thinking initiative by ECMS reflects a tenacious commitment to holistic student development, ensuring every child steps into the future with confidence, clarity and purpose.

MPS Sanskriti : Nurturing Values, Inspiring Minds

MPS Sanskriti, under the aegis of the Education Committee of the Maheshwari Samaj, blends quality early education with deeply rooted sanskaras. These pre-primary schools offer hands-on Montessori learning, engaging activities and state-of-the-art infrastructure within a warm, nurturing ambience empowering toddlers to explore, learn and grow into value-driven individuals.

"Sanskriti" – Pre-Primary schools, governed by ECMS, building a community that celebrates to build the foundation of creativity , collaboration and child-centered learning atmosphere, preparing children grow into independent learners ready to explore the world around.
